EXCHANGED LIFE ADVANCED TRAINING

For Ministry Leaders

Exchanged Life Advanced Training (ELAT)

ELAT is a formal in-class training program created by Crossways to Life to provide a deeper experience of the Exchanged Life Message for the student, including an understanding of some of the issues in personal discipleship counselling. The program runs over a ten-month period and includes over 90 hours of classroom study taught by the staff at Crossways to Life, plus viewing over 30 hours of videos and listening to over 30 hours of audio messages taught by nationally known teachers. **Students will also have an opportunity to practise what they are learning in a safe environment through the practical training that is also included.**

Personal mentoring will also be included so the participant will be able to maximize their growth as they continue to learn about the truth of Christ as their Life.

Who Should Attend the ELAT for Ministry Leaders program?

Ministry Leaders face different challenges than the lay person. They are often working every weekend. The challenges they face are often endured alone due to the belief that they must always have it all together. This program has been designed for this purpose; **to provide a safe place for them to explore God's plan for them with people facing similar struggles.**

The prerequisites include watching the Living in Jesus video series OR attending a Grace Life Conference OR a 9-week Growing in Grace; and most importantly a desire to go further in your experience of the truths of the Exchanged Life. **If you meet these requirements then you should prayerfully consider attending the ELAT program.**

Testimonies from Prior Students

"I have been searching for a course like this. It was comprehensive, challenging and well worth the cost. ELAT is for serious growth in the Exchanged Life truths and priceless preparation for ministering to others. The small class setting over a nine-month period can develop bonds of trust and an intimacy never known before. The advanced courses are arranged and presented in a schedule that lends to synchronization. If you don't want to miss anything, it is all here. This is a once in a lifetime experience." ~ KH

"God has used ELAT to be a foundation and springboard from which I've grown immensely in both knowledge and experience of walking by grace. It has both challenged and encouraged me, and I will no doubt always refer to what I've learned thru this course for the rest of my life, as I walk alongside other people and also continue on my own journey." ~ KG

"ELAT has been a perfect tool to accomplish a very important goal of mine. To know Christ. What surprised me is to discover the depth of His love for me. Unconditional and complete love that has changed my relationship with Him. ELAT has also accomplished something I could never do in the past. To love and accept myself. When we realise how valuable and loved we are by God it is hard to continue the self-loathing." ~ RD
